Android TV App Instructions

hoopla account

If you do not have a **hoopla** account go to **www.hoopladigital.com/home** to register.

You will need to provide an e-mail address, create a password, and have your Harvard Public Library card number ready. (Enter the number with no spaces and if it begins with a "D" use a capital D).

Getting Started

Install the hoopla Android TV app.

1. Go to the Google Play Store for Android TV and search for the free **hoopla** app.
2. Click to install the app.

Sync up your hoopla account with your Android TV app.

1. Once the **hoopla** app is installed on your Android TV, select it from your apps.
2. The **hoopla** app opens on **hoopla's** welcome screen. Click to open the next page.
3. At the top of the next screen a 4-digit code is displayed. On another device, log into **hoopla's** website (**www.hoopladigital.com**) using a mobile or desktop browser, and visit **https://www.hoopladigital.com/link** and enter the 4-digit code provided.
4. After entering the code, the **hoopla** app on your Android TV should be synced to your existing **hoopla** account. You will be able to browse and borrow movies and television episodes as well as borrow from your "favorites" list. Remaining borrows for the month will be shown in the app.

Frequently Asked Questions
