Magic Show!

with
Ed Popielarczyk

**Wednesday, February 7
at 2:00 PM**

Ages 3 and up

Ed Popielarczyk is a professional magician, balloon sculptor, flea circus ringmaster, and storyteller who has been entertaining children and family audiences for over thirty years.

His magic show is a comedy show that uses lots of audience participation.
YOU are the stars of the show because you help to make the magic happen.

Ed usually has lots of trouble!

He doesn't just "do a trick," he tells a story that revolves around each trick.
It may be a short story or a longer one, but each story helps to bring the trick together.

LEGO Expo

**Saturday, March 9
from 10:30 AM to 2:00 PM**
(Snow date is Saturday, March 30)

All Ages

Don't miss the library's 14th Annual LEGO Expo!
Participants bring a LEGO construction of their own
design to the Expo to be displayed in Volunteers Hall.

Models can be dropped off a few days prior to the
event or displayed on the day of the Expo.

We want to see how creative you are, so build a LEGO
model from your own imagination.

In other words, create your own cool design – don't
build a LEGO model exactly as it appears in the picture
on the box. The more creative, the better!!!

***Please pre-register so that we can create a guest book
and attendance certificate for you!***

Ages 0 – 6+

Hugh Hanley has been singing with young children for over twenty years in his work as an early childhood educator, music specialist, and entertainer.

He draws from a wide and varied repertoire of songs, fingerplays, and music activities that are appropriate, accessible, and highly engaging. Hugh has learned all of the material he uses in his work from folk traditions, children, and their teachers and parents.
