LEGO Expo

Saturday, March 21
from 10:30 AM to 4:00 PM
(Snow date will be announced if necessary)

All Ages

Don't miss the library's 16th annual LEGO Expo!

Participants bring a LEGO construction of their own design to the Expo to be displayed in Volunteers Hall. Models can be dropped off a few days prior to the event or displayed on the day of the Expo.

We want to see how creative you are, so build a LEGO model from your own imagination. In other words, create your own cool design – don't build a LEGO model exactly as it appears in the picture on the box. **The more creative, the better!!!**

The first part of the Expo will be judged age categories (kids, teen, and adult) for those who wish to have judges look at their work. The second part of the Expo will feature a display of all LEGO models, including those who just want to display their models and not be judged.

Please pre-register so that we can create a guest book and attendance certificate for you!

For more details, and a printable version of the Construction Guidelines, [please click here](https://harvardpubliclibrary.libcal.com/event/15074486).
